

TUESDAY, APRIL 26, 8 A.M.

PROCLAMATION OF THE GOVERNOR OF KENTUCKY.

EXECUTIVE DEPARTMENT.

FRANKFORT, April 21, 1865.

In view of the sad calamity which has fallen upon our country by the assassination of Abraham Lincoln, the President of the United States of America, and the terrible wrongs which we inflict upon ourselves before a merciful God, and pray Him that the sins of our people, which has culminated in such great crime, be forgiven and we purged from our iniquity and be again restored to His favor and to peace and safety amongst ourselves.

For this purpose Thursday, the 4th day of May, 1865, is hereby appointed as a day of fasting, humiliation, and prayer.

On that day the people of Kentucky are invited to go to their respective places of worship, and engage in the solemn and earnest observance of the day as one for humiliation before God and prayer for His giving mercy and sustaining grace in our day of affliction. THOS. E. BRAMFITT, Esq.

2d Lt. Governor of Kentucky.

To Friends.—The friends of the Prince of Wales received the following circular from the General Mills, at Braswell, according to the return of the rebel despatch to Meigs:—

"The return of the Consul is known. It is not known that any explanation whatever was demanded, but the conference with Meigs was entirely satisfactory. That place had simply entered into an arrangement with the rebel General Slaughter for the delivery of important horses which will be seized and immediately sent to the rebels. The rebels will be given the horses and the meeting took place at Potts Landing, Texas. The best feeling existed between the Union and rebel parties, and a good social time was enjoyed. The same informant states that the rebel leaders of the Trans Mississippi army, fully convinced of the trans hopelessness of their cause, have resolved to secede therefrom, and proclaim the independence of Texas as a sovereign State, preparatory, probably, to seeking restoration into the old Union. The Brownsville Ranchero bitterly denounces this scheme, which proves that there must be some foundation for it."
